THE "Norfolk Oil & Fish Guano Co's"

Phosphate Fish

GUANO.
Price \$60 per Ton of 2000 lbs.
In Norfolk.
MANUFACTURED AT NORFOLK, VA.
THIS article is much superior to the
Peruvian Guano as a fertilizer. It
contains a much larger percentage of bone
phosphoric acid and soda, and nearly as much
ammonia. Its effects upon the land will be
seen for years.
The following extracts from certificates,
received from those planters who used it
during the season, will show the effect
of the use of manufactured fertilizers, and give
confidence in this home production.
H. Liverman, Esq. of Bertie county, N. C., writes: "I have used your Phosphate
Fish Guano in equal quantities side by side
with Peruvian Guano, and found the pro-
duct much in favor of your article. The
weed was larger, Cotton heavier, and the
plant kept green through the dry summer."
T. J. Horton of same State writes to the
same effect.
Our circular for January, 1870, contains
these and other certificates in full.
Orders promptly attended to addressed to
any of our leading Commission Merchants,
or to the Gen'l Agent, office over Gateway
